There are four broad areas of need in relation to pupils with SEND.:

- Communication and Interaction
- Cognition and Learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

TRANSITION

Term 6 can be a difficult time for some pupils with the upcoming transition; whether it's to a new school or new class and year group. We have a range of transition support that we offer including: additional class visits, social stories, transition interventions and information booklets to ensure your child has the best support
