New Projects 2024.2025:

- In the new academic year we will be working with **Paxman Academy** and sharing practice from **'Ordinarily Available' (Inclusive Teaching Framework)**. This will enhance our classroom practice. Our first focus will be our 'Learning Environments'.
- We are also involved with a new pilot project aimed at increasing inclusivity in school and building relationships and communication with parents/carers. **The name of this project is Partnership for Inclusion of Neurodiversity in Schools (PINS)**. Please make sure that you have completed the parent survey: <https://www.surveymonkey.com/r/7C3KVJY>

As part of PINS the school will be working closely with your local Parent Carer Forum for SEND parent/carers, Essex Family Forum (EFF). You can find out more about what EFF do here <https://essexfamilyforum.org/>
