We have welcomed pupils from Paxman Academy Sports Leadership Programme into school this half term. They are currently working alongside our Year 5 cohort; the initiative is going so well that Paxman have offered to work with us on our Sports Day this year. Pupils involved with these sessions are showing enthusiasm, leadership and teamwork throughout and tell us they really look forward to these lessons.

Year 6 have continued to work incredibly hard in preparation for their SATs. Their commitment and positive attitude have been a real credit to them. We are particularly proud of the way the children have demonstrated resilience, perseverance and focus as learners during this important time. Just a quick reminder, that a light SATs breakfast will be available, free of charge, to the Year 6 pupils from Monday 11th May through to Thursday 14th May. The whole school community wishes them the best for next week.

Year 4 are now logging in daily to the MTC platform in preparation for their Timetable Assessments, which take place next month. Practice makes perfect Year 4! Keep up the hard work.

Finally, a message has gone out separately about summer uniform; if you have any questions about this, please let us know.

Have a great weekend everyone.
